Flora Farmhouse Awarded 2020 Best in American Living Gold Award

Dwell Development's Flora Farmhouse was recognized as the Gold Winner for this year's single family, spec category. BALA recognizes outstanding achievements by builders and design professionals in all sectors of the residential housing industry, including single-family production, custom, multifamily, affordable, remodeling, community, and interiors. BALA is built on the principle that all great homes start with great design, no matter the cost or size.

Blue Spruce Historic Renovation Receives Best in American Living Silver Award

Dwell Development celebrates first NAHB BALA Award in the renovations category. BALA recognizes outstanding achievement by builders and design professionals in all sectors of the residential housing industry including single-family production, custom, multifamily, affordable, remodeling, community and interiors. BALA is built on the principle that all great homes start with great design, no matter cost or size.

2020 U.S. Department of Energy Housing Innovation Awards

Dwell's Flora Farmhouse wins DOE's prestigious Housing Innovation Award, which recognizes the nation's leading innovators in zero energy building. Dwell Development was announced as a U.S. Department of Energy 2020 Housing Innovation Award Winner in the Custom Spec category. The DOE Housing Innovation Awards celebrate the nation's very best in zero energy-ready home innovation and honor forward-thinking builders at the cutting edge of home energy savings, comfort, health, and durability.

Dwell Development Awarded 2019 Best in American Living Gold Award

Now in its 36th year, BALA recognizes outstanding achievement by builders and design professionals in all sectors of the residential housing industry, including single-family production, custom, multifamily, affordable, remodeling, community, and interiors. BALA is built on the principle that all great homes start with great design, no matter the cost or size.

2019 New Home Council Tribute Awards | Builder of the Year Finalist

After reviewing over 200 submissions, The New Home Council has named Dwell Development a finalist for the 2019 Tribute Awards Builder of the Year.

The event has gained local and national recognition and is the only New Home Award event in the Puget Sound region. The Tribute Awards recognize and honor those who have shown innovation, hard work and years of service.

2019 Built Green Hammer Awards | Project of the Year

Dwell Development's NoCo Flats recognized as Project of the Year in 2019 Built Green Hammer Awards. The Built Green Hammer Awards honor Built Green members for their outstanding projects and participation over the previous year.

Northwest Net Zero | 2019 Green Builder Media's Green Home of the Year Award

Green Builder Media's Home of the Year and Sustainability Awards program, now in its 11th year, recognizes the industry's most authentic, advanced, beautiful and sustainable projects—and the professionals who design and construct them.
